I think it would be 9:30am Hopi time which is 8:30 in SF

Lionel,

IHS is here in San Francisco today (Tuesday) and tomorrow (Wednesday). This morning we got into a discussion about the HAMP and what happens next. At the end of this morning's discussion, it was decided to try to strategize with you about how to get the USDA application submitted by the Tribe. We understand that the financial audits have not been completed but we would like to talk with you about what we can do next. One of the driving forces behind this is that some of the original IAs for the HAMP are expiring and there are a few million dollars remaining in these IAs. If you are available Wednesday morning, it would be with Robert Lorenz, Jesse DeCoteau, James Carter, Emmanuelle Rapicavoli, and me. IHS will be in San Francisco on Wednesday from 8:00 to 9:30 a.m. California Time. I think we are in the same time zone.

Would Wednesday, November 9, at 8:30 a.m. Hopi time work for you? If so, let me know ASAP so I can set something up.
